SEASON 3: SERVING ACROSS HAWAII • APRIL 2026 HIGHLIGHTS

## SMALL GROUPS, BIG IMPACT

This April was a busy month for our Huaka'i small groups as they continued to make a big impact in their communities by feeding the hungry, cemetery beautification and maintenance, and caring for God's creation at places such as the lo'i at Kipuka Olowalu on Maui.

## E KOMO MAI

UNIVERSITY OF NOTRE DAME

We give a warm aloha to Francesca from the University of Notre Dame – McGrath Institute for Church Life for visiting us in April. Francesca visited two of our small groups during their service days and served alongside with Christine's group in Wahiawa to feed the hungry, and Kristen and Malcolm's group by beautifying the King Street Catholic Cemetery.
